**QUERIES**

866-1. **Daniel Austin** was born in 1783 in Connecticut. He first married Adah Dorman of Hamden, Connecticut. Adah died in 1815 and is buried in Hamden. One of their sons was Henry Austin 1804-1891, a prominent architect of New Haven. There were other children: Francis, Adah, Merwin (also a successful architect, working mostly in Rochester, New York), and Wyllis. After Adah's death, Daniel married Elizabeth —, they had a daughter Esther born 1830 in Canandaigua, New York. Daniel apparently lived in Ontario County, New York for the rest of his life. Henry Austin was my great-great-grandfather. I can trace Adah way back, but am stuck on Daniel Austin's line.

866-2. **David H. Austin** was born in 1789. He was first married to Nancy Watson in Cayuga County, New York, they had eight children. David served with the Scipio Rangers in the War of 1812. After Nancy died in 1831, he moved to Michigan where he married Lydia Babbitt. They lived in Livingston & Oakland Counties, Michigan, and David held some public offices. He was a widower again when he died 7 July 1877 in Milford, Michigan. One of David's children was Nancy Maria Austin, born 22 March 1826 in Scipio, New York. She was married to Sidney Hudson, born 21 January 1822. Nancy died in Milford 11 January 1905. Sidney died 23 March 1911. Seeking information on both David and Nancy's parents.

The *Austins of America Genealogical Society* publishes this newsletter to serve present and future genealogists researching Austin family lines. Members are encouraged to submit their Austin line research, queries, genealogical and historical articles for publication. Previously published pamphlets, books, or articles containing Austin genealogical data are also sought for reprinting or review.
